

Angling Council Ireland

The ACI is holding a Health & Safety CPD training day for coaches in Kilsheelan Community Hall, Clonmel, Co. Tipperary on Sunday 19th of February.

Timings 09:30 to 17:00

The morning session of the course is designed to introduce ACI coaches to the ACI Safety Policy and to provide them with the necessary information, training and skills to safely conduct Risk Assessments in the angling environment.

The afternoon session includes practical application of risk assessments in the field, this will be followed by demonstration and instruction on Defensive Swimming Techniques, Personal Floatation Devices, Safe Wading Techniques, Safety considerations when organising angling events, River Rescue Techniques including practical exercises in victim recovery.
